

# 2016 XXV International Congress of Entomology

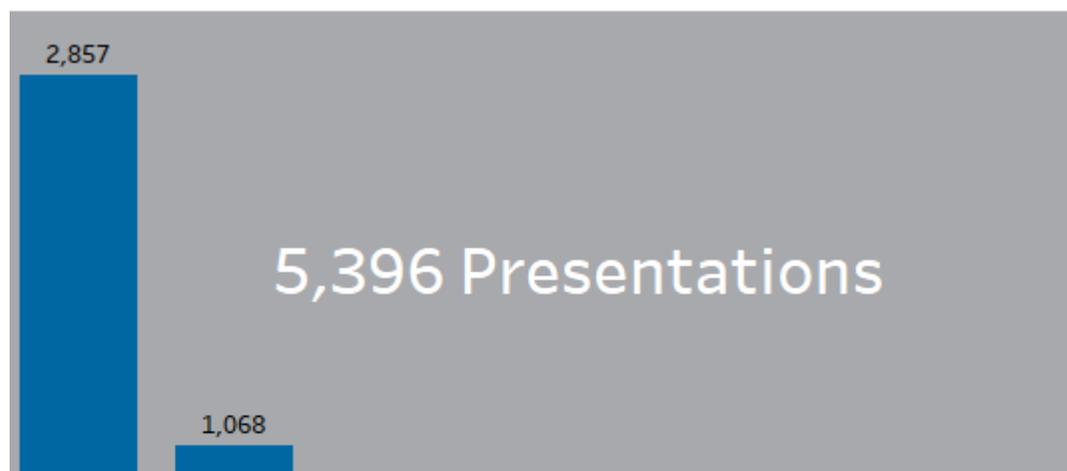

Orlando, Florida, USA | September 25-30

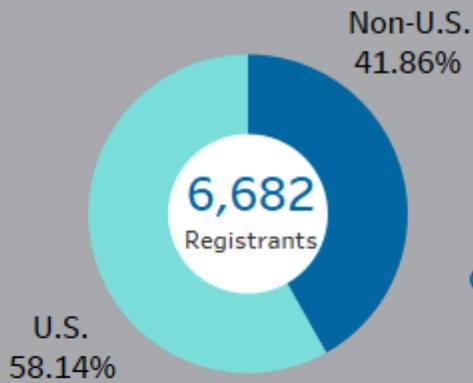

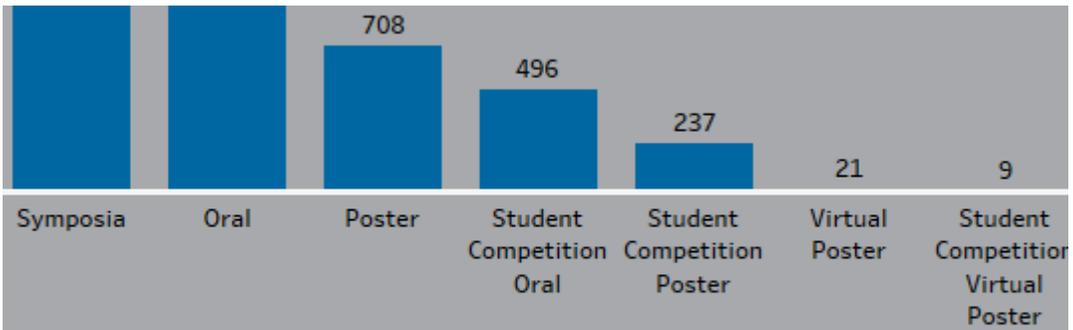

## Take A Look Back at ICE 2016

We very much thank you for attending ICE 2016 in Orlando, Florida, USA. You were among 6,682 delegates from 102 countries at this historical Congress. The presence of delegates is of course the core of a scientific event. Your participation, in combination with the other delegates, provided an experience that was rewarding both professionally and personally for the entire Congress. Such an experience was in concert with the Congress' theme "Entomology without Borders".

Thank you again, and we hope to see you at ICE 2020 in Helsinki, Finland!

Best personal regards,
